Office

Schenker Salvi Weber Architects

Weber

In 2009, Andres Schenker, Michael Salvi and Thomas Weber founded the architecture firm Schenker Salvi Weber Architekten in Vienna and Bern, which currently employs over 50 people. They realise buildings in the education, office, residential, care and cultural sectors in Germany, Austria and Switzerland.

In 2018, the office will be responsible for the Vienna project „Post am Rochus“ was nominated for the Mies van der Rohe Award and received the State Prize for Architecture. In the ten-year ranking of competition-online (2022), the office is one of the ten most successful offices from Austria.
